

Council Meeting of  
November 25, 2003

Agenda Item: 8

November 19, 2004

Dear Ms. Kost,

My name is Jeff Scruggs and I reside at 901 Dinwiddie Street in Lynchburg. I would like to request an opportunity to address the city council on Tuesday, November 25<sup>th</sup>, concerning the Academy of Fine Arts. I represent a group of local artists and thespians that are concerned with the future of the Thompson Drive facility. We are opposed to the sale and demolition of this theatre. We would like to also request two additional spots on the agenda for others of our group to speak. Thank you for your consideration in this matter.

Sincerely,

Mr. Jeff Scruggs
